

Jump Space

Equipment and Resource library

Jump Space in partnership with the Stockport Local Fund have launched a new community service. We have a range of equipment and resources available to loan to Stockport families with disabled members, or individuals with a disability.

With funding provided by the Stockport Local Fund we have created a range of equipment and sensory activity packs to support members of our disabled communities health & wellbeing at home.

We are also creating a literature /media resources for Stockport residents with disability with a range of topics covered to help develop understanding of conditions and support personal development.

For more information about the scheme please check the Jump Space website. www.jumpspace.org.uk or email jumpspacelibrary@outlook.com or find us on facebook at Jump Space Library Stockport.

Each equipment pack is themed and will contain a number of items in a storage box / bag.
